BROWN

## Dear Brown Alumni and Friends,

Greetings from College Hill. Inspired by Brown University's Open Curriculum, the Office of Alumni Relations is dedicated to providing lifelong learning and exploration opportunities for alumni, enriching our intellectual journeys. Through diverse programs and experiences, we curate impactful "moments that matter," fostering curiosity, connection, and belonging in our vibrant alumni community. Our alumni travel program embodies these values, offering enriching travel experiences worldwide.

This year, we are excited to offer a seven-night cruise through Belgium and the Netherlands, a journey that promises both discovery and delight. After settling into your first-class ship, you will have the opportunity to explore the historic charm and cultural richness of these regions. Experience the iconic canal houses of Amsterdam, the stunning gardens, and the Old-World ambience of Bruges and Antwerp. Additionally, our itinerary includes visits to Enkhuizen, a splendid city from the Dutch Golden Age, and Veere, a charming harbor town.

Our carefully selected excursions will allow you to engage deeply with each destination. In Enkhuizen, explore stately landmarks and the Zuiderzee Museum; in Hoorn, wander through a picturesque 17th-century port town; or enjoy a bike ride through the scenic West Frisian countryside. The Hague offers the Mauritshuis' celebrated masterpieces, the Royal Delft porcelain factory, and farm-fresh cheeses in Gouda. In Bruges, you can visit a chocolaterie, learn about the local beer culture, or admire fine Belgian art.

This thoughtfully designed journey features insights from expert guides and lecturers, providing a rich context for your experiences. You will also appreciate the companionship of fellow alumni, sharing in both guided excursions and free time for personal exploration.

Our Dutch Waterways cruise has consistently been a favorite among alumni. We encourage you to secure your spot and join us for this enriching adventure.

Sincerely,

Zack Langway, '09  
Vice President for Alumni Relations

The Brown Travelers program strives to include a representative of Brown on each trip, and we will make every effort to provide an outstanding faculty lecturer for this departure. However, group travel is planned far in advance, and given the current very fluid nature of travel, we cannot guarantee confirmation of Brown faculty participation on this program. If for any reason we are unable to send an accompanying lecturer, please be assured that our tour operators all share our belief that travel should provide an opportunity to learn about the world in deep and meaningful ways, and the educational content of this tour remains very high.
