The Brown Travelers

October 26 – November 6, 2026

Lifelong Learning

Dear Brown Alumni and Friends,

Hello from College Hill! We're thrilled to invite you on this lifelong learning experience that brings the spirit of Brown out into the world. Whether you're exploring iconic landmarks or discovering hidden gems, this program invites you to travel with curiosity, led by expert guides and enriched by the company of fellow Brunonians. It's more than just a trip; it's an opportunity to see the world through a new lens.

Embark on an adventure to Lisbon and the mystical Azores archipelago, 870 miles off Portugal's coast in the North Atlantic Ocean. Stay for two nights in Lisbon and eight nights on three Azorean islands. With your intimately small group, limited to 24 travelers, enjoy first-class hotels and internal flights as you uncover traditional yet modern Lisbon and the Azores' pristine natural beauty and rich cultural heritage.

Begin in Lisbon to see notable highlights on a guided city tour. Then, fly to the Azores archipelago to begin your discovery of Terceira, Faial, Pico and São Miguel islands. You'll explore picturesque villages, thrill to a whale-watching expedition, take a ferry ride to marvel at Pico's vineyard landscape and journey off-road to visit remote Sete Cidades. Along the way, encounter otherworldly volcanic landscapes and ethereal crater lakes amid lush tropical forests, delve into the Azores' whaling history, stroll beautiful botanical gardens and visit Europe's oldest tea plantation. Plus, savor a lunch of Cozido das Furnas stew cooked in hot lava rock, an experiential farmstead dinner and Pico's unique wines!

Wherever your next adventure takes you, we hope you'll consider joining a Brown Travelers program. With thoughtfully curated itineraries, built-in community, and seamless travel support, these journeys are designed to inspire, inform, and foster lasting bonds. Come be part of something extraordinary and let the world be your classroom.

Sincerely,

Annabeth Faucher

Lifelong Learning

Every Brown Travelers journey is designed as a lifelong learning experience, taking inspiration from the Open Curriculum that shaped learning at Brown. Each trip is an opportunity for learning and exploration as our alumni continue to shape their own intellectual journeys throughout their lives. While we strive to include a Brown representative on each departure, the dynamic nature of travel planning means we cannot always guarantee their participation. Still, the heart of the program remains unchanged: our trusted travel partners are deeply committed to creating immersive on-location learning experiences, delivering the kinds of "moments that matter" Brown Travelers have come to expect.
