Dear Johns Hopkins Alumni and Friends,

Join us for an exhilarating, seven-night journey that captures the natural grandeur, rich cultural history and vibrant life of Finland! Begin your trip with a flight to Helsinki, getting acquainted with this cosmopolitan capital and enjoying a Finnish sauna. Then, fly to northern Lapland and enjoy four nights in a remote glass-domed cabin, perfect for viewing the spectacular Northern Lights overhead. Scenic and strategic, the trip can be undertaken in the winter, autumn or spring, each being on its own merits, a visit to a northern lights site is a thrill for the eye and mind. Lights and experience the serene beauty of a winter’s night through the eyes of a Finn. Choose from Finland’s lakes, cross the fields by digital or on convenient. Often engaging excursions introduce you to Finland and culture, all in its traditional rendezvous form. As you settle with your small group, look to experienced guides and lecturers for an introduction to the destination. You’ll learn about the history of Finland, culture and life on a traditional reindeer farm.

We’re thrilled to offer this unique itinerary, but please your place by reserving today!

Sincerely,

Margaret J. Jones, AHS ’74, Box 58
