Dear alumni and friends,

If you've always dreamed of journeying to New Zealand someday, now is the moment to make it happen! Join us for this incredible, 14-night adventure featuring the best of New Zealand across the North and South Islands. The star attraction, of course, will be its enchanting natural beauty, and our travel experts have carefully curated excursions that showcase it. You'll cruise through splendid Doubtful Sound in dazzling Fiordland National Park, take in an impressive glacier and search for whales in the waters off Kaikoura. Look forward to more gorgeous scenery on a train ride through the Southern Alps and a stay in the vineyard-lined valleys of the Marlborough wine region!

In addition, you'll experience the exciting buzz of urban life while exploring in Auckland, Wellington, Christchurch and Queenstown, and broaden your understanding of New Zealand's remarkable Māori culture on unique tours led by members of local Iwi, or tribes. This well-balanced program also features illuminating lectures, first-class hotels and a professional Travel Director who manages all the on-site details.

With so many terrific features and a limit of only 28 travelers, this popular program will fill quickly, so guarantee your spot by booking today!

Sincerely,

Gabrielle Korn
Executive Director
McGill Alumni Association
