What first sparked your interest in travel?
A. I wanted to see the world! Since I was a child, I devoured travel and adventure books, and I was always attracted to distant and different cultures. I thought that at some point I would be the one to visit those places. Now, as an adult, I think that traveling cures many of the ills in the world that are basically due to ignorance.

What attracted you to AHI Travel?
A. AHI Travel was starting a new program in Barcelona, my hometown, and a colleague told me about the company. She put me in contact with AHI and they suggested that I try leading my first group. A number of years have passed since then, and I enjoy working with AHI Travel more every day.

What is your professional philosophy?
A. It’s important to me that travelers enjoy their experience as much as I enjoy traveling with them.

Tell us about challenges and successes.
A. I consider myself quite lucky in that I have never had major problems. Perhaps the most complex situation was being in Morocco when the country closed the border at the beginning of the COVID-19 pandemic. In terms of successes, I would say seeing the tears of happiness of some travelers at the end of their trip. This expression of joy and emotion tells me that everything was a success.

Can you share some inspiring moments?
A. There are so many: seeing the stars in a yurta camp in the Mongolian steppe while following one of the ways of the Silk Road; watching the sunrise in Sinai next to the monastery of Saint Catherine; and climbing to the roof of the Parthenon in Athens.

“Thank you all for the wonderful trip to Chile and Patagonia. Torres del Paine is one of the most wondrous places that I have ever seen and Emiliano Rio is a treasure. His quick actions made the trip seamless. Victor, Christian and Lissette were outstanding local guides who had infinite knowledge and love for their lands. ... Again AHI is so fortunate to have such brilliant guides and travel managers.”

AHI is committed to you

Our passion for authentic, responsible and life-changing travel experiences defines every program.

Personal involvement shapes every aspect of our tours. In fact, AHI leaders Brian, Joe and Rick Small help plan every program. And long before we finalize a program, our team of experienced travel experts stays in the hotels, eats in the restaurants and visits every site. We detail the things that matter most (like the number of cathedral steps you must climb or restaurants with the best food and views!) to travelers.

Our aim is to please you, period. By consistently meeting travelers’ high expectations over the decades, we appeal to educated, cultured and experienced travelers — people like you. Many clients have been so pleased with our programs that they boast of taking 15, 20, even 30 trips with us!

We know you have many travel options and probably just as many questions. So call one of our AHI Travel experts at 800.323.7373. We look forward to helping you plan your trip.

AHI Travel, a creative travel company, is recognized around the world for deluxe, personalized group travel programs. Travel industry pioneers Richard and Arlene Small founded the company in 1962, when they launched the first alumni travel programs at universities across the U.S. Soon after, they introduced AHI in Canada. They quickly earned an outstanding reputation for quality, service and value, which we continue to deliver today to alumni and individual travelers alike.
A World of Discovery

The story of travel involves more than a ticket and a passport. It should weave together discovery, education and humanity, the best elements of any compelling tale. Your personal travel story begins with our commitment to delivering authentic experiences with local people.

“AHI Connects

From intimate dinners to behind-the-scenes visits to hands-on lessons, our team curates unique events that instill a deeper appreciation for your destination. Discover how to make rice noodles with a Cambodian family, enjoy the music of a traditional Swiss Alpenhorn, or learn the art of creating beautiful Arabic calligraphy in Morocco. Come away with memorable, immersive experiences that also support the communities we visit!

“This trip was a wonderful introduction to Cuba, offering experiences the solo traveler is not likely to encounter. I was very happy with the selection and variety of offerings... Osmin, Melissa and Carlos were wonderful and took good care of us! I learned so much and fell in love with Cuba and its people.”

Accommodations

We personally select hotels and ships for quality, location, value and character.

For more than 60 years, we’ve traveled the world to evaluate hundreds of hotels for our programs. As travelers ourselves, we value high-quality, ideally located accommodations imbued with local charm and style. Our meticulous selection process promises that you’ll return each evening to a well-appointed room with the comforts and little extras you crave.

Many of the properties offer thoughtful amenities, such as room service, restaurants, a salon and fitness facilities and a pool. When you’re on the move during our programs, your comfort is paramount. Across land or water, we select the finest river cruisers and luxury trains for the most pleasurable experience.

Hand-picked Hotels

- **Luxury hotels** offer the ultimate in comfort and service. Marvel at the singular attention to detail and sumptuously appointed rooms in sleek, modern hotels like The Peninsula Bangkok and the Shangri-La Hotel, Singapore.

- **Deluxe hotels** range from legendary establishments, such as the Belmond Mount Nelson Hotel in Cape Town to Kapama River Lodge, an upscale safari lodge. Historic architecture, contemporary design and extensive amenities distinguish these hotels.

- **First-class hotels**, often a distinctive boutique property or a welcoming family-owned hotel, offer satisfying comforts at the end of an exciting day. Watch a sunset from the Hotel La Palma or sip a glass of Chianti on the terrace of your Tuscan villa.

Where you lay your head during your journey may not define the trip, but it certainly completes a wonderful travel experience.

Quality accommodations are a crucial aspect of our programs.
Select Ships & Trains

- **River ships**, built specifically for river journeys, bring you closer to both remote villages and grand cities for intimate views of local life. From gracious service and well-appointed cabins to gourmet cuisine and onboard cultural activities, savor the unique experience of your floating hotel.

- **Elegant trains** transport you back to a golden age when the way you traveled was just as significant as the destination. Wind through the heartland in vintage train cars, impeccably restored to their glory days, and relish the sweeping views. Indulge in afternoon tea service or cocktails in the observation car.

Archaeologists believe that this masterfully planned site served as a center of worship or a royal estate for Inca emperors and nobility. Surrounded by steep agricultural terraces at an elevation of 7,972 feet, the complex’s many buildings testify to the Incas’ exceptional design and construction skills. With your guide, explore the stone temples, grassy plazas, palaces and workshops.

“My only other group travel experience was AHI’s Cuba trip in 2017, which set a very high standard for my expectations. This trip was also outstanding in every way. Nani is outstanding as were all the speakers and guides. Nani’s efficiency and warmth ensure that we, as travelers, know that the details are handled and we can enjoy our travels...

Our experience was a true Greek experience of hospitality and friendship...

Also, the learning aspects were so enriching and rewarding that I am reminded of the value of travel as helping us develop as citizens of the world.”

This was our second trip with AHI and we could not be happier. We plan to take many more trips with you and will share our experiences with friends and family. Your company truly is the best! Thank you for making this vacation a truly memorable one for us!”
